PY 2022 WIOA Youth Program Elements Chart

In order to support the attainment of a secondary school diploma or its recognized equivalent, entry into postsecondary education, and career readiness for participants, the WIOA Youth Program shall provide elements consisting of the following program elements.

20 CFR §681.470 states that it is not required for local programs to use funds for each program element. Local Area WDB programs may leverage partner resources to provide program elements. However, if the program is not funded with WIOA youth funds, the Local Area WDB must have an agreement in place with a partner organization to ensure that the program element will be offered. If offered by a partner, the program element must be connected and coordinated with the WIOA youth program.
